Students must pass the PLACE or PRAXIS II content area exam before student teaching semester; scores must be received by teacher education no later than the 7<sup>th</sup> week of the Fall or Spring semester prior to student teaching or you will not be placed for student teaching.*

I have reviewed this plan with my advisor. I understand that I am responsible for completing all degree requirements, for consulting with my advisor on a regular basis, for seeking the advice of my advisor in the event I have any questions about degree requirements, and for securing prior approval from my advisor for any change in my degree plan. I understand that deviating from this plan may extend my time to graduation.
