

DEPARTMENT OF TEACHER EDUCATION

Expectations for Professional Behavior

Explanation

Field lab hours require the ASC student be actively involved with students and teacher in the K-12 classroom setting, providing students an opportunity to learn how schools work, During your field lab assignments, you are a guest of the school community. Your respect for this community is reflected in your professionalism, commitment to the educational profession, and interpersonal skills.

Schedule and attendance

- Cooperating teachers have received your schedule and are expecting you.
 - Wear your Teacher Education ID tag each time you visit a school.
 - Check in at the front office and be ready to begin work in the classroom at your assigned time.
 - Once your field lab schedule begins you are expected to follow the assigned schedule and attend each week.
 - An absence should be the exception. In this case, notify the school, the cooperating teacher, and the college supervisor before the start of classes on the day of absence.
 - Field lab hours must be completed during the term in which the student is enrolled in the corresponding course.
 - Falsifying field lab hours is reason for dismissal from the Teacher Education Program.
