

## TEN MONTH ANNUAL PAYMENT PLAN

Times are tight and paying for a college education can be tough. Adams State College has partnered with ECSI to offer a **ten-month payment plan to cover costs for the entire academic year**. With this plan, payments for **2008-2009 academic year** costs begin July 1 and complete April 1. This plan offers the ease and convenience of a set payment amount each month. While the program is interest free, there is a \$50.00 annual enrollment fee that covers the cost of administering the plan. **This plan is available to full-time, undergraduate, resident or non-resident students.**

- **There is still time to sign up for this payment plan. Information about the 10 month plan through ECSI can be viewed at <http://www.ecsi.net/TPP/student.html>**
