Service-learning Programs

Bringing Learning to Life!

CHAMPS Class Presentation

What is Community Service?

Providing short-term benefits to the community by giving your time to those people and agencies that need it.

What is Service-Learning?

Contributing a great deal of time and utilizing one's existing skills to benefit the community in a matter that provides long term benefits to oneself.

Planning and Preparation

***“Thinking it Through
and
Getting Ready”***

Action

“Getting Things Done”

Reflection

**“Thinking, Writing and
Talking”**

Demonstration

**“Measuring What
was Gained”**

Celebration

“Spreading the Word”

Benefits

- Community Partnerships provides volunteer placement in an area of interest to you,
- Learn leadership and citizenship skills,
- Develop connections with people of diverse cultures and lifestyles,
- Strengthen your resume and college application files by building a portfolio

What is the single most important thing that Community Service taught you?

- “I learned how to take the initiative and change what I felt needed to be changed.”
- “It put my education, skills and talents in effect.”
- “I *can* make a difference in my community.”
- “I believe that I can have enough influence to impact community decisions.”

How to sign up

- www.adams.edu/community/partnerships
- Submit completed registration form to Community Partnerships, get phone number for worksite.
- Call and offer services to worksite.
- Worksite verifies hours spent.

Placement Opportunities

Benefiting from Service Learning

If you would like to commit more volunteer time beyond your CHAMPS experience, and would like a scholarship (to be applied at any educational institution) for that commitment, please contact Victor Salazar at Trinidad State Junior College.

589-7031

victor.salazar@trinidadstate.edu
