Blackboard Theme Upgrade

1. Home Icon

A home icon now appears where the course title was previously listed. You may click on this home icon to return to the course entry point set by the instructor, for example the Start Here page. Below are screen shots of what you will now see verses what you previously saw. Note that for ASU’s personalized theme, in your Blackboard colors may be slightly different.

Previously on Blackboard: The course title was listed:

![Previous Course Title](image1.jpg)

Now on Blackboard: A home icon appears where the course title was listed:

![Home Icon](image2.jpg)

Note: You can still click the action link in this location to jump to another course:
