Ad-Aware SE Personal

Initializing Wise Installation Wizard...

Installing Ad-Aware... When you first launch the Ad-Aware installer, the Installation Wizard loads.
The Installation Wizard checks if you have an older version of Ad-Aware installed. If you do, the wizard will offer to uninstall it.
Welcome to Ad-Aware SE Personal Setup program. This program will install Ad-Aware SE Personal on your computer.

It is strongly recommended that you exit all Windows programs before running this Setup Program.

Click Cancel to quit Setup and close any programs you have running. Click Next to continue with the Setup program.

WARNING: This program is protected by copyright law and international treaties.

Unauthorized reproduction or distribution of this program, or any portion of it, may result in severe civil and criminal penalties, and will be prosecuted to the maximum extent possible under law.

The wizard loads the setup screen. Click on "Next".
Lavasoft AB - Software License Agreement for Registered Users

Please read the terms and conditions of this license agreement (the "License") before installing the computer software (the "Software"). By installing and using the Software you accept and agree to the terms of this License. This License constitutes the entire agreement concerning the Software between you and Lavasoft AB and it supersedes any prior proposal or representation. If you do not agree with these terms and conditions, promptly de-install the Software and, if you paid for a License, contact your distributor for a refund of the amount that you paid.

The term "Software" includes, and these terms and conditions also apply to, any updates, modifications and upgrades to the Software that you may receive from time to time.
