ED 589: E-Commerce for Educators

**Professor:** Linda C. Reynolds M.A.
**Address:** 5593 Edisto Circle
Las Vegas, NV  89130
**E-mail:** bnincongo@comcast.net

**Prerequisites:** Since this a graduate level course, a baccalaureate degree is required.

**Course Credit:** One semester hour

**Description:** The course is designed for the student who has some Internet experience. It will provide the participant with information on using the Internet for Banking, Investing, Shopping and Making money.

**Course Objectives:**
1. Participants will become familiar with the options in online Banking. They will explore the security issues, review banking sites and examine the benefits and drawback of banking online.
2. Participants will explore the opportunities for investing online.
3. Participants will discover ways to get help with taxes online.
4. Participants will explore the opportunities to purchase items online.
5. Participants will learn about the safety and security issues associated with e-commerce.
6. Participants will discover opportunities to sell items or set up a small business online.

**Grading Pre-requisites:**
1. The student will be required to complete the assignments in the workbook that follow each lesson. This work should be completed and either sent or emailed to the instructor. Be sure to clearly mark each assignment with the unit number and name of activity.
2. Required Texts: None
3. All course information and work will be found online.
4. Exam: The exam is a product of what you have learned from taking this class. Please submit the following:
   - Completed assignments in the workbook
