Intramurals

General Information

There are three different types of offerings in the Intramural Sports Program: Intramural Leagues, One Day Events/Tournaments and Special Events.

Intramural Leagues generally run for about 5 weeks of round-robin play, followed by a single elimination tournament. Any team that does not forfeit out of the league makes it to playoffs. Teams have 1-2 games a week, sometimes more. Intramural leagues include:

- 3 on 3 Basketball
- Sand Volleyball
- Flag Football (fall)
- Flag Football 4’s (spring)
- Intrertube Water Polo
- Indoor & Outdoor Soccer
- 6 on 6 Volleyball
- 5 on 5 Basketball

Most of these activities are offered at two levels: (1) Competitive and (2) Recreational (just for fun). Championship t-shirts and/or gift cards are awarded to the overall winners in both divisions.

One Day Events/Tournaments are designed for someone who wants to participate, but maybe cannot commit to an intramural league. Again, most of these activities are offered at two levels, and championship t-shirts are awarded to the overall winners in both divisions. Some of the one day tournaments are:

- Basketball 3 point Shootout
- Free Throw Contest
- Home Run Derby
- Box Soccer
- Hot Spot Competition
- Water Basketball & Volleyball
The Special Events Program is offered as a direct alternative to drinking/partying. We offer several of these events late at night, on the weekends, throughout the school year. The events for 2009-2010 are:

- Friday Night Handball
- Friday Night Dodgeball
- Friday Night Melon Ball
- Friday Night Volleyball
- Friday Night Wallyball

These activities generally may begin as early as 5 p.m. or as late as 7:00 p.m. and conclude at approximately 2:00 a.m. (this depends on the number of entries in the tournament). Championship t-shirts and/or gift cards are awarded to the champions.

If you have questions about any of these programs, please visit the Frequently Asked Questions page or contact the Recreational Sports Department intramural/Sport Club staff.

Thank you for visiting!

Policies & Procedures

All students and faculty/staff are encouraged to participate in as many intramural events as possible. However, participants are expected to behave in a mature, sportsmanlike manner. To encourage this kind of atmosphere, the following rules will be enforced:

1. Any player ejected from an Intramural contest is automatically suspended from his/her team's next two games and must meet with the Director of Recreational Sports and Graduate Assistant of Intramural Sports before being reinstated.
2. Any player or spectator making physical contact or threatening an Intramural staff member will be immediately suspended from all Intramural activity indefinitely and must meet with the Director of Recreational Sports and Graduate Assistant of Intramural Sports before being reinstated. That person may also be referred to the Office of Judicial Affairs.
3. Playing under an assumed name/using someone else's ID constitutes a blatant violation of the Honor Code. Such violations will be referred to the Office of Judicial Affairs for action.
4. Alcoholic beverages are strictly prohibited in any recreational facility and any participant playing under the influence will be immediately ejected and referred to the Director of Recreational Sports and Graduate Assistant of Intramural Sports. Captains are responsible for the behavior of their players, as well as their spectators.
