RULES
Intramural soccer abides by the 2013-2014 National Federation of High School Association Rules with the following exceptions or points of emphasis:

1. Team Composition: Teams may have a total of five players on their roster. Teams are limited to no more than 1 varsity soccer player. There will be NO goalies.

2. Timing: The game will consist of two 12 minute halves, with a running clock, and a 3 minute half time period.

3. Coed Scoring: a goal scored by a female is worth 2 points (1 point if scored by penalty kick).

4. Overtime:
   1. Regular Season: In the event of a tie game the score will stand at a tie and each team will be credited with a win.
   2. Tournament Play: In the event of a tie game a sudden death overtime period will be played. If the score is tied at the end of the sudden death period a shootout will take place. The three players from each team on the field at the end of the “sudden victory period” will alternate shooting. If the score is still tied at the end of all 6 shots, a “sudden death shootout” will commence using the same order of shooters until one team scores when the other does not.

5. The Field: The games will be played be 30 yd. wide and 50 yd. in length. The goals are 5 feet high by 8 feet wide (SKLZ nets).

6. The Game:
   1. Substitutions may be made “on the fly” (hockey style) at the midfield.
2. Corner kicks must be taken within 1 yard of corner.

3. There will be kick-ins instead of throw-ins. The ball should be placed on the sideline at the point it crossed out of bounds and kicked into play.

4. Goal kicks will be taken from the goal line within 3 yards to either side of the goal.

5. In all dead ball situations, defending players must stand at least 5 yards away from the ball.

6. All goal kicks and kick-ins are indirect.

7. A kickoff can be taken in any direction.

7. Fouls and misconduct

1. Games will be self-officiated. NO CONTACT is permitted. Any foul committed will result in a turnover in possession and the restart should occur from the point of foul.

2. Disputes can be taken to the sport supervisor who will flip a coin for the final decision.

3. Hand balls that intentionally stop a scoring opportunity will result in an automatic penalty shot for the attacking team taken from middle field.

4. The Off-sides rule will not be in effect.

5. NO SLIDING WILL BE PERMITTED. There will be an automatic turnover of possession to the opposing team if a player slides.

6. Penalty shots: will be taken from the midline on an open goal. The shot should be taken from as close to the center of the field as can be judged.
